

# Lifetime Wellness Care...

## The Network Spinal Analysis Practice Basic Care Intensive

Melbourne  
Australia  
March 12-14, 2010

CE credits  
applied for

Join the evolution of  
evidence based wellness care!

### How you will benefit

- ✓ Discover how a gentle force application at Spinal Gateway™ regions can instantaneously transform a spine and life
- ✓ How to practically define and measure wellness outcomes through NSA Basic Care
- ✓ Level one management tools in an empowering wellness model
- ✓ All who attend will experience the work
- ✓ Plenty of hands-on so you can walk away with skills to use on Monday in the office
- ✓ How to perform an effective wellness spinal evaluation and assessment
- ✓ Learn how to help patients to connect to their body-minds and spontaneously release spinal and body tension
- ✓ Builds community in your practice
- ✓ Discover how to address the major factor which promotes and perpetuates spinal subluxation
- ✓ The single most important exercise a client can do to promote self-responsibility in healing & trust in the body
- ✓ How to enjoy a practice which fulfills your needs for growth, contribution to something bigger than yourself, connection, love, security, never ending variety & lifetime success!

### How your patients will benefit

- ✓ Engages them to take charge of their lives - more self responsibility
- ✓ Takes them to a state beyond where they were right before their presenting symptoms or crisis
- ✓ A structured care program for Basic NSA care
- ✓ Relates patient's physical, chemical and emotional stressors to his/her spine
- ✓ Develops new self-regulating, self-correcting mechanisms within their bodies
- ✓ Very real new strategies for living in an ever changing and challenging world
- ✓ Helps them develop a stronger body-mind connection
- ✓ Helps them develop the strategies to experience a more flexible "feeling" spine
- ✓ Helps them assess their own outcomes, not attainable through any other means, through each level of care
- ✓ Helps them develop two unique spinal healing waves

### ADDED VALUE BONUS!

All attendees will have access to a post seminar teleconference call with Donny at no additional charge.

### A Note from Donald Epstein, D.C.

Dear Doctor,

There has never been a better time to take a Network Spinal Analysis Basic Care Intensive (BCI)! Excitement about Network Care and its life changing benefits continue to grow and you can be a part of it.

Network Care is easy to learn, easy to practice, gentle on both practitioner and patient, and perfectly positioned in the exploding wellness market and beyond. PATIENTS LOVE NETWORK! If you wish to be a leader in the wellness and life transformation industry or are simply at a crossroad in your practice or your life, this seminar is for you.

This BCI is being taught by one of the finest Network Practitioners in the world. Steven Katz, D.C. is one of the most successful Network care practitioners anywhere. His dedication, knowledge and expertise, particularly in regards to the Australasian region, will amaze you during this weekend program. This is a program you do not want to miss! I personally guarantee that this program will ABSOLUTELY transform your practice.

In Wellness,

  
Donny Epstein

## About your Instructor Steven Katz, D.C.

Dr. Steven Katz graduated from Chiropractic College in 1989 after completing his Bachelor of Science Degree.

He has actively practiced for 20 years, as both Associate and Principal, in the U.S. and in Australia since 1994. Steve has built and grown two model NSA, referral based, successful centres in Melbourne and the Gold Coast, where he now resides.

Steve has attended (as participant, assistant, organizer or instructor) over 70 NSA /Epstein Seminars, since 1992. He was in the first intake to become Part 3 Certified (the highest level Certification in NSA) in the work in 1998.

Steve has been teaching and on the NSA Staff with Dr Epstein since 1998. He is also a skilled Somato Respiratory Integration (SRI) Wellness Educator. He has additionally, been instrumental in coordinating seminars and workshops in Australia and New Zealand for the last eleven years. Passionate, dedicated and knowledgeable, Steve has embodied this work and truly walks his talk and delivers the work in a practical, hands on "can do" and fun fashion.

He has been generous with his skills, knowledge and time to Practitioners and Students, alike and has given countless talks and presentations in the community. He is married to Karen, an Aussie girl, who is also an SRI Wellness Educator. They have 2 sons Samuel who is 10 and Maximillian who is 4 years of age.

## What they say...

*"Network Spinal Analysis and Somato Respiratory Integration, Donny Epstein's revolutionary methodologies, are amongst the most powerful sources of personal transformation I have ever experienced or seen. They produce embodied and empowered strategies that are both sustainable and enjoyable for enhanced human resourcefulness and wellness.*

*I am stronger, more inspired, creative and healthy because of this work. It has personally and professionally helped me to maximize my ability to contribute to others."*

**- ANTHONY ROBBINS**

*Peak Performance Coach and  
best-selling author of Unlimited Power*
