A Note from Donny Epstein, D.C.

Dear Doctor,

There has never been a better time to take an NSA seminar and begin its implementation in your practice.

Network Care is easy to learn, easy to practice, gentle on both practitioner and patient, and perfectly positioned for the exploding wellness market. PATIENTS LOVE NETWORK!

Why settle for restoring a person to a prior minimal state, and competing with painful or restricted spinal healing strategies when NSA offers the exciting opportunity for your patients to reorganise their spines and their lives to new levels never before possible. Major research in several universities and publications in significant journals continue to highlight the unique spinal and life changes available for your patients through Network care.

These NSA Basic Care Intensive seminars are being taught on site in a new user friendly manner supplemented with online learning and more hands-on practical take home skills.

The dedication, knowledge and expertise of our NSA instructional staff will amaze you. For those new to NSA, I will personally guarantee that what you learn at the NSA BCI seminar will give you invaluable assessment and application skills to transform your practice.

Join our BCI team and discover why Network Spinal Analysis is Tomorrow's Chiropractic Today!
